Body Language For Dummies

Elizabeth Kuhnke

Body Language For Dummies Elizabeth Kuhnke **Say what you mean, without opening your mouth**

Actions really do speak louder than words, but you've got to be able to understand them. That's where *Body Language For Dummies, Second Edition* comes in handy. If you find yourself puzzled by other people, or want to improve the impression you give, having an insight into body language is key, and this book will teach you to comprehend what people really mean, even if they say nothing at all, and how you can use your body and your expressions to make a positive impact.

Image and presentation are crucial to successful communication, and realising what kind of impression you give, and understanding how others judge you when you meet them, is an essential skill for getting where you want to go, both personally and professionally.

Body Language For Dummies, Second Edition

- Explores why we give the signals we do
- How to read the most common expressions
- Shows how you can use body language to transform your personal and professional relationships

Perfect for anyone looking for the inside edge in understanding their own and other people's actions, this book is ideal for those who want to ensure their communications are positive in every way, people in relationships, those looking for a relationship and trying to interpret the "signals" of the opposite sex, and countless other readers.
