Fundamental Aspects of Legal, Ethical and Professional Issues in Nursing 2nd Edition (Fundamental Aspects of Nursing) Sally Carvalho, Maggie Reeves

This popular title from the Fundamental Aspects of Nursing series has been revised and updated to reflect the advances in the field. Vital reading for all student nurses to help them develop an understanding of the myriad of dilemmas in professional practice and ensure they meet professional standards. This book will outline the implications and application of the relevant recent legislation that relates to nursing practice. Professionally, this book will look at the demands and requirements of nursing, as it moves to an all graduate profession, and the subsequent legal and ethical implications. It will also be helpful for qualified nurses as a refresher text & for those undertaking Overseas Nurses' Programmes. With the new Nursing and Midwifery Council's proposals, there is a greater emphasis on nurses' awareness and ability to use, and be assessed in, legal, ethical and professional issues in their clinical practice.
