Wild Track: New and Selected Poems Kevin Hart

The poems of Kevin Hart have nurtured international poetry audiences for nearly four decades. Translations of Hart's work have appeared in Chinese, French, German, Hebrew, Italian, and Vietnamese, among other languages, and bear witness to the growing interest in Hart's poetry both in the United States and abroad. This volume performs a valuable service by bringing together the best of Hart's work from seven published collections, some of them now out of print, and from his forthcoming book, *Barefoot*. *Wild Track* reveals a poet capable of articulating genuine feeling and considerable philosophical depth. This volume confirms Hart's standing as one of the most sophisticated poets writing today.
