What's it all about?

What's happening in the world?

How can we know the difference between truth and deception?

What happened between the Jewish Yeshua and the Christian Church?

What do the signs in the sky mean?

Where has the Lord gone? Where is His power and love?

The signs of something significant are in the skies and the terrible devastation of weather patterns. But is all of this just a scientific and natural blip? Is civil unrest, new warfare tactics, economic decline and religious persecution just a cyclical phase of society? Or is biblical prophecy coming to a crescendo?

The author invites you to join with him on a frank and honest life-changing journey of discovery and revelation as he tackles these and many more questions. The journey is sometimes painful, shocking and hard as the author's broken heart and quest for the Lord is openly shared.

Deep spiritual truths are carefully, biblically and historically unravelled in an easy to understand and compassionate written style. You will not leave these pages unchallenged or untouched by the Holy Spirit as the light of holiness penetrates your soul.
