Baby ABC Deborah Donenfeld

Babies love looking at other babies, and this concept book will allow them to do just that! Each page features a back-and-white photograph of a baby interacting with an object that starts with the featured letter of the alphabet. The object is in color, and coordinates with the color of the letter featured, making the connection easy and understandable for non-readers. The diverse cast of babies and recognizable object make this book the perfect introduction to the alphabet.
