For a shy girl like Julie, there couldn't be anything worse than the very first day at a brand new school. What if the kids don't like her? What if no one ever talks to her at all? Julie's big sister has some advice—and a plan—that just might help. But will Julie be too scared to even give it a try?

Little souls will cheer for Julie and celebrate her transformation as a terrible day turns into a wonderful one in this tender story of overcoming limitations. And the funny, surprise ending will help readers realize that no matter how bad a situation seems, a happy solution is always close at hand.
