Ghosts, witches and monsters don't always keep to the shadows...

When failed rock star Clayton Briggie, on the run from a botched L.A. drug deal, escapes to his hometown after having been gone thirty years, he reunites with his childhood friends - and finds Dawson, Nebraska to be just as haunted as he is.

From the town's chain-smoking mortician who watches all from the tower of her Victorian mansion to the disappearance of the private school principal, the idyllic town of Dawson begins to unravel and no secret will remain unearthed.

With dark humor and psychological thrills, DEMONS IN THE TALL GRASS is a tale of horror that shines a light into the back alleys of Hollywood, into the bedroom windows of a small Midwestern town, and exposes the amazing ability of humans to justify even murder and depravity to themselves.
