**Gossip: A Novel** Christopher Bram

**A gripping thriller about contemporary gay politics**

Ralph Eckhart, an unassuming bookstore manager in the East Village, meets Bill O'Connor online and they agree to get together during Ralph's weekend visit to Washington, DC. The two start a heated, long-distance sexual relationship. But Ralph discovers that Bill is a closeted Republican journalist, whose new book trashes liberal women in Washington—including Ralph's speechwriter friend, Nancy—and angrily breaks off the affair. When Bill is found murdered, Ralph becomes the prime suspect. This is a complex psychological and political thriller full of the sexy excitement of "sleeping with the enemy."
