"(Curating) From A to Z" offers a summary of the development of curatorial practice over the last two decades seen through the eyes of curator Jens Hoffmann. In this publication each letter of the alphabet evokes a particular word related to the world of exhibition making: From A (as in Artist) and B (as in Biennial) to R (as in Retrospective) and W (as in White Cube). Employing a diarist style, the curator presents his personal curatorial alphabet with a similar transparency and the same idiosyncratic character revealed in many of his exhibitions. The entries are not only stimulating and intellectually rigorous, but also emotionally engaging.
