*Lawrence Wright*

**La torre elevada: Al-Qaeda y los orígenes del 11-S (Spanish Edition)** Lawrence Wright

**El auge del fundamentalismo islámico, la creación de Al-Qaeda y los fallos de los servicios de inteligencia que culminaron en el atentado de las Torres Gemelas.**

«Literatura como verdad.»

Antonio Muñoz Molina

*La torre elevada* narra la increíble historia de varios hombres cuyos destinos se entrecruzan y confluyen de forma dramática el 11 de septiembre de 2001. Con una precisión poco común, sustentada en más de quinientas entrevistas realizadas a lo largo de cinco años, nos describe el auge del fundamentalismo islámico, la creación de al-Qaeda y los errores cometidos por los confiados servicios de inteligencia que culminaron en el atentado de las Torres Gemelas.

Lawrence Wright recrea de modo excepcional la transformación de Osama bin Laden y Ayman al-Zawahiri de combatientes idealistas e incompetentes en Afganistán a líderes del grupo terrorista más temido de la historia; y sigue de cerca a John O'Neil, jefe de la sección de contraterrorismo del FBI y uno de los pocos agentes estadounidenses que comprendió, ya en los años noventa, la magnitud de la amenaza que representaba dicha organización.

Lleno de información, con una profunda perspectiva histórica, este es el mejor libro escrito sobre los orígenes de al-Qaeda y la muerte de Bin-Laden.

**Obra galardonada con el Premio Pulitzer.**

**Prestigiosos autores ha dicho...**

«El libro del año.»

John Le Carré

«Ganó el Premio Pulitzer. Su fuerza tremenda reside en el relato de los hechos y de sus orígenes, de los procesos mediante los cuales hombres corrientes eligen matar y morir en nombre de delirios arcaicos; y de cómo las ideas más dementes llegan a convertirse paso a paso en actos que cambian el curso del mundo y que podían haberse evitado.»

Antonio Muñoz Molina

**Y la crítica opina...**

«*La torre elevada* es el mejor libro que se ha escrito sobre Bin Laden, su relación con al-Zawahiri y el 11-S.»

*El País*
