**The Ancient Allan (H. Rider Haggard Collection)** H. Rider Haggard

Dodo Collections brings you another classic from H. Rider Haggard, 'The Ancient Allan.'

Sitting beside entrancing Lady Ragnall while the smoke of an ancient Egyptian herb grows thick around them, Allan Quatermain finds himself departing the world he know and entering into his strangest adventure. In a mystic transformation, he comes to his senses in an earlier incarnation . . . as Shabaka, hunter of lions — scion of the rulers of ancient Egypt, and lover of the Lady Amada, the Priestess of Isis

Sir Henry Rider Haggard was an English writer of adventure novels set in exotic locations, predominantly Africa, and the creator of the Lost World literary genre. His stories, situated at the lighter end of the scale of Victorian literature, continue to be popular and influential. He was also involved in agricultural reform and improvement in the British Empire.

His breakout novel was King Solomon's Mines (1885), which was to be the first in a series telling of the multitudinous adventures of its protagonist, Allan Quatermain.

Haggard was made a Knight Bachelor in 1912 and a Knight Commander of the Order of the British Empire in 1919. He stood unsuccessfully for Parliament as a Conservative candidate for the Eastern division of Norfolk in 1895. The locality of Rider, British Columbia, was named in his memory.
