The Embers and the Stars

Erazim Kohák

The Embers and the Stars Erazim Kohák

"It is hard to put this profound book into a category. Despite the author's criticisms of Thoreau, it is more like *Walden* than any other book I have read. . . . The book makes great strides toward bringing the best insights from medieval philosophy and from contemporary environmental ethics together. Anyone interested in both of these areas must read this book."—Daniel A. Dombrowski, *The Thomist*

"Those who share Kohák's concern to understand nature as other than a mere resource or matter in motion will find his temporally oriented interpretation of nature instructive. It is here in particular that Kohák turns moments of experience to account philosophically, turning what we habitually overlook or avoid into an opportunity and basis for self-knowledge. This is an impassioned attempt to see the vital order of nature and the moral order of our humanity as one."—*Ethics*

From reader reviews:

Frances Carpenter:

Book is actually written, printed, or illustrated for everything. You can realize everything you want by a e-book. Book has a different type. As it is known to us that book is important thing to bring us around the world. Next to that you can your reading talent was fluently. A guide The Embers and the Stars will make you to end up being smarter. You can feel more confidence if you can know about everything. But some of you think this open or reading the book make you bored. It is far from make you fun. Why they could be thought like that? Have you searching for best book or appropriate book with you?

Martha Silva:

The reason? Because this The Embers and the Stars is an unordinary book that the inside of the reserve waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book next to it was fantastic author who write the book in such amazing way makes the content within easier to understand, entertaining way but still convey the meaning totally. So , it is good for you for not hesitating having this any more or you going to regret it. This unique book will give you a lot of positive aspects than the other book possess such as help improving your expertise and your critical thinking way. So , still want to hesitate having that book? If I were being you I will go to the book store hurriedly.

Frank Godwin:

Are you kind of busy person, only have 10 as well as 15 minute in your morning to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are experiencing problem with the book in comparison with can satisfy your small amount of time to read it because all this time you only find book that need more time to be go through. The Embers and the Stars can be your answer because it can be read by a person who have those short time problems.

Vincent Olson:

Reading a guide make you to get more knowledge from it. You can take knowledge and information from the book. Book is created or printed or outlined from each source which filled update of news. With this modern era like now, many ways to get information are available for an individual. From media social such as newspaper, magazines, science guide, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Do you want to spend your spare time to spread out your book? Or just trying to find the The Embers and the Stars when you required it?
