## **The Torah Revolution: Fourteen Truths That Changed the World** Rabbi Reuven Hammer

Unlock the powerful truths that shattered ancient beliefs and paved the way for the new and revolutionary religion that became Judaism.

This is a unique look at the Torah—the foundation of Jewish existence—and the revolutionary teachings of Moses embedded within it that gave birth to Judaism and influenced the world.

Dr. Reuven Hammer presents fourteen radical ideas found in Torah, explains their original intentions, and shows how understanding these "truths" can help you better understand the narrative and laws of Judaism. He shows how when taken together, these value concepts present a picture of human life that is surprisingly modern and relevant to our goals for repairing the world today:

- Humanity is one as God is one
- Human beings are responsible for their actions and have the choice to do good or evil
- Poverty, deprivation, slavery and hatred are evils that must be eradicated
- The earth is not ours to destroy
- The love of others is a divine command
- And much more ...

Rabbi Reuven Hammer, PhD, is a world renowned scholar, an inspiring Jewish educator and noted Jewish leader. He was named one of the “Forward 50”—a list of the most influential members of the American Jewish community—and is a former president of the International Rabbinical Assembly. He is a recipient of the Simon Greenberg Award for Lifetime Achievement in the Rabbinate by the Zeigler Rabbinical School of American Jewish University. A prolific writer, he is the author of many books, including *Entering the High Holy Days*, a winner of the National Jewish Book Award.
