Inciting Incidents: 6 Stories of Fighting Disappointment in a Flawed World

We believe there is tremendous power in each person's story.

Inciting Incidents combines the unique stories from six creatives (artists, musicians, writers, thinkers, and leaders) managing the tensions between their faith, their place in life, and their work as artists. It is a collective call to face life's imperfections and difficulties while attempting to do the great things we all want to do.

By capturing this next generation's battle between idealism and reality—which is where so many of us find ourselves existing each day—these storytellers pave the way for a better understanding of those moments that truly shape us.

The reader will be challenged to use their own art and their own life stories to find their way in God's Kingdom. God has created each of us uniquely, and we each have a unique, growing part to play in His Story.

Dealing with topics like anxiety, leadership, creativity, and perfectionism, this book offers every creative a chance to glean from (and commiserate with) the authors.
