Memorii De Zeu (Romanian Edition) Laurian Taler

Highly entertaining, at times totally believable, at times to be taken with a grain of salt, this book leaps above the fantastic into a realism that brings together literature, science and quirky visual arts. Poet, composer and novelist Laurian Taler creates the character Adam Onkey for this social, sci-fi allegory in which a wondrous chimp tells it, or better, writes it as it is. Four main motives that intertwine satirically and comically allow the reader to see and understand beyond the immediacy of events. Translated in Romanian by the author.
