Gabriel McMichael

The Brave Little Misha: Escape Gabriel McMichael

Misha had a rough start in life. As a small puppy, she lived in an abusive environment. There was verbal and physical abuse on a daily basis, more importantly, there was no love. In fear of her life, little Misha breaks free from her evil captor and flees into the fearful unknown. She struggles to survive on the streets and soon is rescued by a kind stranger who takes her to the local animal shelter. It is there she discovers the courage to be brave and allow herself to love and trust people again.

The Brave Little Misha: Escape is the back story for the book Goodbye Poonjab. This is a story that demonstrates the importance of treating animals, and people, with love and respect. It also encourages the adoption of rescue animals. The Brave Little Misha: Escape is a story with depth and purpose. A tale that can be used to aid young readers through the many emotional difficulties of overcoming abuse. Often professionals use art and books to help abused children open up and talk. This book can be used to allow the child to discuss the abuse through Misha instead of directly talking about their experience.

PARENT ADVISORY: This book discusses animal abuse and the ill effects of driving under the influence.
