Callie Valentine Jones can't think of a better way to check out of her personal Heartbreak Hotel than to accept her cousin Lovie's timely invite to get away in Cozumel, where her brainy beau is digging up bones for research. But the moment Callie and her loyal good luck charm Elvis arrive, trouble greets them in the form of a skeleton too fresh to be ancient history and too dead to spell anything but homicide. Suspicious minds blame ghosts and gods, but Callie knows the guilty party is all too human--and for once, she's determined not to get involved.

That determination flies right out the window when Lovie and Elvis go missing. It's now or never, if Callie wants to save her cousin and her canine from someone who's got murder always on his mind.
