Moodle 2.0 Multimedia Cookbook Silvina P. Hillar

Part of Packt's Cookbook series, each chapter focuses on a different multimedia effect. If you don't have the time to work your way through a long tutorial, then this is the book for you. The step-by-step recipes are independent from each other so you can dip in and out of the book to add great effects to your course as and when you need them. This cookbook is designed for teachers who want to learn how to insert different multimedia assets into their Moodle courses. It is expected that you will have basic knowledge of Moodle 1.9 or 2.0 and have Moodle installed and ready to be worked on. Teachers of different subjects can adapt the recipes to best suit their specific subject.
