## Naked Moon (A North Beach Mystery) Domenic Stansberry

Set in San Francisco in the crumbling vestiges of Italian North Beach, Domenic Stansberry's latest novel plunges once again into the noir underworld of Dante Mancuso. This new installment of Stansberry's critically acclaimed series, *Naked Moon*, unearths a past Mancuso had hoped to escape. Before becoming a private investigator, Dante worked for a secret corporate security firm---known simply as the company---that prized effectiveness over legality. When Dante left, it was not on good terms. So he made sure to take enough inside information to keep himself safe from reprisal.

Dante, however, has his own secrets; for example, he doesn't ask his cousin Gary questions about how he keeps the family warehousing business---the one where Dante is a silent partner---in the black, while everyone else's has failed. When SFPD Detective Leanora Chin starts asking questions, Gary turns to the company for help, which they're willing to provide, so long as Dante agrees to settle his past debts by doing them one last favor: the type of favor that could drag him under for good.

Edgar Award winner Domenic Stansberry is one of the most talented crime novelists working today. His novels are dark, lyrical, and widely acclaimed, and *Naked Moon* is no exception as it captures the sense of dread, paranoia, and quiet despair that cling to a man and a part of a city living on borrowed time.

#### **James Hose:**

As we know that book is important thing to add our information for everything. By a e-book we can know everything we want. A book is a group of written, printed, illustrated or blank sheet. Every year had been exactly added. This reserve Naked Moon (A North Beach Mystery) was filled about science. Spend your time to add your knowledge about your science competence. Some people has different feel when they reading any book. If you know how big good thing about a book, you can really feel enjoy to read a guide. In the modern era like right now, many ways to get book that you wanted.

#### **Renee Chagnon:**

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Naked Moon (A North Beach Mystery) can make you truly feel more interested to read.
