Prison Round Trip (PM Pamphlet) Klaus Viehmann

Prison Round Trip is a reflection on prison life and how to keep one's sanity and political integrity behind bars. Grappling with themes of consciousness, the nature of freedom, and what it means to be alive, Klaus Viehmann wrote this essay ten years after being released from prison, having completed a 15-year sentence for his involvement in urban guerrilla activities in Germany. The preface by political prisoner Bill Dunne, held by the U.S. government for over thirty years now, shows that the nature of imprisonment, and the ways in which the human spirit can transcend it, are universal.
