Sociedad e instituciones. El modo de pensar la infancia (Spanish Edition) Laura Lora

A partir de la definición del niño como sujeto de derechos irrenunciables y como sujeto de intereses que deben ser protegidos, se plantean nuevos desafíos surgidos de los distintos modos de interpretar los límites de estas nuevas conceptualizaciones. Los trabajos que se compilan en este volumen reflexionan sobre esas problemáticas planteándose interrogantes cuya respuesta nunca es sencilla y unívoca. La importancia de la observación de derechos de la infancia tales como el derecho al juego, a la identidad, a la educación; la vulneración de los derechos que supone el trabajo infantil y otras cuestiones como estas, son retomadas desde la perspectivas sociológicas y jurídicas y constituyen una contribución fundamental para la discusión del tema.
