The Limits of Thought is a series of penetrating dialogues between the great spiritual leader, J. Krishnamurti and the renowned physicist, David Bohm.

The starting point of their engaging exchange is the question: If truth is something different than reality, then what place has action in daily life in relation to truth and reality? We see Bohm and Krishnamurti explore the nature of consciousness and the condition of humanity. These enlightening dialogues address issues of truth, desire awareness, tradition, and love.

Limits of Thought is an important book by two very respected and important thinkers. Anyone interested to see how Krishnamurti and Bohm probe some of the most essential questions of our very existence will be drawn to this great work.
