The Small Room: A Novel May Sarton

In the hallowed halls of one of New England's most prestigious colleges, a young woman finds new and unexpected life as professor while a scandal brews just on the periphery

On the train north from New York City, Lucy Winter takes inventory of her life. Twenty-seven and newly single, Lucy is headed toward a fate she never anticipated: professorship at a women's college in New England. Her doctorate degree, obtained from Harvard, was more of a hobby than a professional aspiration—something to occupy her time while her fiancé completed his medical studies nearby. But at Appleton College she finds new enthusiasm in academia, teaching young women to be brilliant in a society that does not yet value their intellect.

When Lucy discovers a scandal involving a star student, she ignites controversy on the campus. Many in the faculty rush to either defend or condemn the student, who is carrying the burden that often accompanies excellence. At the center of the political maelstrom is Lucy, who, despite her newfound difficulties on campus, is finding that her unexpected detour to Appleton may lead to a more rich and rewarding life than she ever anticipated.

An insightful and inspiring study of scholarship, teaching, and women in academia, *The Small Room* is also the memorable story of a young professor coming into her own.

In a situation you wish to purchase the e-book, you can open up their official web-site in addition to order it. Have a nice learn.

Clarence Jenkins:

As a college student exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just minor students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Small Room: A Novel can make you really feel more interested to read.
