Eduardo Galeano

Voices of Time: A Life in Stories Eduardo Galeano

A striking mosaic of memories, observations, and legends that together reveal the author's own story and a grand, compassionate vision of life itself

In this kaleidoscope of reflections, renowned South American author Eduardo Galeano ranges widely, from childhood to love, music, plants, fear, indignity, and indignation. In the signal style of his bestselling and much-admired *Memory of Fire* trilogy—brief fragments that build steadily into an organic whole—Galeano offers a rich, wry history of his life and times that is both calmly philosophical and fiercely political.

Beginning with blue algae, the earliest of life forms, these 333 vignettes alight on the Galeano family's immigration to Uruguay in the early twentieth century, the fate of love letters intercepted by a military dictatorship, abuses by the rich and powerful, the latest military outrages, and the author's own encounters with all manner of living matter, including generals, bums, dissidents, soccer stars, ducks, and trees. Out of these meditations emerges neither anger nor bitterness, but a celebration of a blessed life in a harsh world.

Poetic and passionate, scathing and lyrical, delivered with Galeano's inimitable mix of gentle comedy and fierce moral judgment, *Voices of Time* is a deeply personal statement from a great and beloved writer.
