Nei miei giochi di fantasia (Robin&sons) (Italian Edition) Paolo Perlini

Michele e Daniele sono due compagni di scuola, il primo studia pianoforte, il secondo ha dei problemi espressivi e un unico pensiero fisso: Loredana. Per conquistarla elabora piani sempre più complicati e alla fine decide di imparare a suonare la chitarra e fondare una band, perché, secondo i suoi calcoli, questo è il modo giusto per fare colpo su di lei. In questo singolare progetto coinvolge Michele che dapprima segue con aria di sufficienza l'impegno dell'amico, ma poi deve ricredersi e stupirsi per i suoi progressi. Il piano di Daniele va a buon fine, ma aver conosciuto le sette note gli cambierà la vita.

Michele invece conosce Chiara, alla quale si lega molto: si incontrano ogni venerdì alle cinque del pomeriggio, per cantare e suonare, ma anche per sognare insieme.

Le musiche di questi quattro personaggi si intrecciano e la melodia che ne esce non è piacevole per tutti: alla fine qualcuno si ruberà una nota.
