**Splintered (3 Book Series)** A. G. Howard

**From Book 1:** This stunning debut captures the grotesque madness of a mystical under-land, as well as a girl's pangs of first love and independence. Alyssa Gardner hears the whispers of bugs and flowers--precisely the affliction that landed her mother in a mental hospital years before. This family curse stretches back to her ancestor Alice Liddell, the real-life inspiration for Lewis Carroll's *Alice's Adventures in Wonderland*. Alyssa might be crazy, but she manages to keep it together. For now. When her mother's mental health takes a turn for the worse, Alyssa learns that what she thought was fiction is based in terrifying reality. The real Wonderland is a place far darker and more twisted than Lewis Carroll ever let on. There, Alyssa must pass a series of tests, including draining an ocean of Alice's tears, waking the slumbering tea party, and subduing a vicious bandersnatch, to fix Alice's mistakes and save her family. She must also decide whom to trust: Jeb, her gorgeous best friend and secret crush, or the sexy but suspicious Morpheus, her guide through Wonderland, who may have dark motives of his own.
