Mayflower Mages, #1

Legends say a syphon can drain a mage dry. He'll brave the danger. Will she?

Someone's playing pranks. The body of the late Casteel patriarch has been stolen and gifted to the family's enemy, the powerful Rallises. As far as Bronte Casteel is concerned, they can keep it. She hasn't spoken to her family in thirteen years, not since they exiled her from society for her lack of mage power. But she's a syphon mage, able drain another mage's power. Syphons' destinies are always the same: death by fiery stake. She hides her secret by living among the Nons--powerless humans and the lowest class in the Republic. When her family orders her to go plead for the body's return, she comes face to face with the one man who knows her secret.

Colonel Vincent Rallis isn't letting his syphon get away this time. Not when she's under suspicion of body-napping and aiding anti-mage terrorists. He'll prove her innocence whether she wants him to or not, and then convince her they belong together. . . forever.

Vincent's help comes with a steep price: Bronte must reveal her power. The inevitable ensuing witch-hunt and trial would be bad enough, but even a tough girl might buckle if her prosecutors are her own parents.

CONTENT WARNING: Hot, steamy nights with the colonel's magic touch
