Baichung Bhutia—dubbed the Sikkimese Sniper for his amazing shot accuracy—has been winning young and old hearts alike with his rare skill and boyish charm since 1993. He serves as a benchmark not only for Indian football, but also for Asian football, as he has been one of the best players for over a decade. In fact, even today, he remains the only iconic face of Indian football to the outside world.

Baichung's career has not been without controversy and Beyond the Goal delves into the footballers relationships with his coaches, the clubs he played with, and his much debated retirement. Md Amin takes us through the good, the bad, and the ugly of football in India by doggedly retracing Baichung's own highs and lows.
