## **Pedrito: una vita in contropiede (Italian Edition)** Anthony Smith

Con la pubblicazione di Pedrito e Il talento da solo non basta e Il nostro settore giovanile, Anthony Smith lancia il suo nuovo progetto: una collana di libri pensata per promuovere la collaborazione tra società sportive, allenatori e genitori, allo scopo di massimizzare il potenziale dei giovani atleti sia nello sport che nella vita di tutti i giorni.

In una realtà complessa e articolata come quella del calcio, dove solo un giovane su mille riesce ad emergere, si pone la domanda se il vero obiettivo di un genitore dovrebbe essere quello di rincorrere il successo a tutti i costi oppure e prima di tutto di perseguire la migliore formazione psicologica e caratteriale del figlio?

Con questo libro Anthony Smith vuole sensibilizzare il lettore, genitore anche lui di un ragazzo che gioca a calcio, alle problematiche che si potranno incontrare lungo il percorso formativo dei figli, per conoscere in anticipo le diverse situazioni con cui ci si potrà venire a scontrare.

Padri che litigano con l'allenatore perché il proprio figlio non è stato schierato in campo. Genitori che assillano i propri ragazzi affinché diventino quello che non sono. Ragazzi che soffrono in silenzio perché sotto pressione. Quella di Pedrito è la storia di una giovane promessa del calcio, sul cui sfondo s'intrecciano molte di queste vicende familiari e che offre molti stimoli di riflessione per quanto riguarda il supporto a 360° di cui i nostri ragazzi hanno tanto bisogno.
