Sunny Days M. L. Jaisimha

Sunny Days is the fascinating record of the growth of India's greatest batsman; one whose astonishing feats on the cricket field have had innumerable records rewritten, and yet more difficult targets set.

How did Sunil Manohar Gavaskar begin and what were the early days like? It is not merely out of curiosity that one may ask the question; the knowledge of the shaping up of the process of greatness is essential for a true understanding of the greatness. Before we can ask the Little Master to tell us about the dizzying heights of his career we need to know the beginning. And Sunny Days is all about it.

The baby is switched after birth, luckily restored by an eagle-eyed uncle; he grows up and almost breaks his mother's nose with a mighty hit (a childhood habit persisting in later life); plays good cricket in school and college; graduates inevitably through university and Trophy cricket; is at times booed by the crowd as his uncle happens to be a Selector - in fact all that could happen does happen to make him reach the age of twenty-one, when at Port of Spain Gavaskar bursts upon the cricket scene with his Test debut.

The year is 1971, Gavaskar's year, and sunny days have truly begun for Indian cricket. By the end of the 1975-76 season Gavaskar has played 147 first class matches, amassed 11574 runs and 38 hundreds. He has played in 24 matches in 8 Tests, with 2123 runs and 8 hundreds. Still eight years to go for the great days of the Kotla and the Chidambaram Stadium; but as it is said, in the beginning is the end.

Fluently written, self-effacing modesty imparting a rare grace to the pages, Sunny Days is great to read.

From reader reviews:

Barbara Davis:

Here thing why this Sunny Days are different and dependable to be yours. First of all reading through a book is good nevertheless it depends in the content of it which is the content is as tasty as food or not. Sunny Days giving you information deeper and in different ways, you can find any e-book out there but there is no reserve that similar with Sunny Days. It gives you thrill studying journey, its open up your own eyes about the thing that will happened in the world which is might be can be happened around you. You can bring everywhere like in recreation area, café, or even in your way home by train. For anyone who is having difficulties in bringing the imprinted book maybe the form of Sunny Days in e-book can be your option.

Sena Meyer:

The reason why? Because this Sunny Days is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will surprise you with the secret the idea inside. Reading this book close to it was fantastic author who have write the book in such remarkable way makes the content inside easier to understand, entertaining way but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This unique book will give you a lot of rewards than the other book possess such as help improving your skill and your critical thinking technique. So , still want to postpone having that book? If I had been you I will go to the book store hurriedly.

Jennifer Klein:

In this period of time globalization it is important to someone to obtain information. The information will make anyone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of referrals to get information example: internet, classifieds, book, and soon. You can view that now, a lot of publisher which print many kinds of book. The particular book that recommended to you personally is Sunny Days this reserve consist a lot of the information of the condition of this world now. This specific book was represented so why is the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. Typically the writer made some investigation when he makes this book. Honestly, that is why this book ideal all of you.

Brenda Moulton:

Beside this particular Sunny Days in your phone, it may give you a way to get nearer to the new knowledge or details. The information and the knowledge you are going to got here is fresh from your oven so don't become worry if you feel like an previous people live in narrow village. It is good thing to have Sunny Days because this book offers to you personally readable information. Do you sometimes have book but you rarely get what it's all about. Oh come on, that wil happen if you have this in your hand. The Enjoyable option here cannot be questionable, including treasuring beautiful island. So do you still want to miss it? Find this book along with read it from now!
