The Portal: An Initiate's Journey into the Secret of Rennes-le-Château Patrice Chaplin

The true-life memoir Patrice Chaplin began in *City of Secrets* continues here in the story of her spiritual initiation into the Kabbalistic tradition preserved since the Middle Ages by a secret society in the pre-Roman city of Girona, Spain. Salvador Dalí was a member of that society, as was the renowned author Umberto Eco, the filmmaker Jean Cocteau, and Jancint Verdeguer, one of the most celebrated Catalan poets. Importantly, so was the mysterious Berenger Sauniere, the priest who in the late 1800s built Rennes-le-Château in southern France, with the Tour Magdala, a tower that is twin to the neo-gothic tower in Girona. In this gripping story that reads like the adventures of a female Castenada, Chaplin is led through a series of initiatory stages which correspond to the magical square of Venus, containing the constellation of the Great Bear.
