A New House for Charlie Doris Lecher

Charlie, like all small snails, lives in a shell. And since this two-in-one protective cover is strapped onto his back, Charlie carries his home with him everywhere. One day, while having a snail race with his friends—as snails like to do—there's a terrible accident. As Charlie nears the finish line, the misplaced shoe of a little boy running through the garden comes down and breaks his shell. Charlie's shell—and his home—are completely destroyed. To make matters worse, winter is coming and Charlie has nowhere to go. Charlie's friends try to help him find a new home, but none seem to fit just right: they are too hard, too sticky, too sharp, or too flimsy. Will someone be able to help Charlie find a new home before winter?

Featuring a story of friendship from author and illustrator Doris Lecher, *A New House for Charlie* teaches children about helping others and showing compassion and empathy when hurting another person, even if unintentionally. Appropriate for children ages 3 to 6. Parents and educators will like the lessons throughout the book and children will be able to relate to Charlie as he tries to find a new home.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
