**A Sexy Time of It (Extreme)** Cara Summers

To boldly go where no woman has gone before...

It's not a story from one of the novels on her bookstore shelves—Neely Rafferty's vivid dreams of traveling back to the time of Jack the Ripper are actually real. And so is the sexy cop who's time-shifting right along with her. Max Gale has come from 2128 to 2008 to make sure Neely doesn't alter the past. But their intense psychic connection and hot sexual escapades surpass all temporal bounds. She's taking him for a ride through the ages! And he's not sure he'll be able to go back to the future—or if he even wants to!
