Confessions of a Wonder Woman Wannabe: On a Mission to Save Sanity, One Mom at a Time Jenny Lee Sulpizio

She may be tough, beautiful, and practically perfect in every way, but saving the world is only easy when you're Wonder Woman. Being a mom, on the other hand? Now, that takes some serious superpowers. A lasso of truth, bulletproof wristbands, and an invisible airplane. Throw in a golden tiara, great hair, and abs made of steel and you've got a gal theoretically capable of saving the planet (and looking fabulous in the process, too, I might add). But moms aren't looking to save the world. Nope. They'd settle for well-behaved kids, a clean home, an occasional nap or two, and maybe an uninterrupted trip to the bathroom every once in a while. They'd trade in the need for perfection--the desire for acceptance--and willingly cast aside those unrealistic expectations they've placed upon themselves in their roles as mothers. Confessions of a Wonder Woman Wannabe provides the modern-day mommy with sanity-saving tips, advice, and hilarious real-life accounts that every supermom can most certainly relate to, benefit from, and appreciate. After all, the reader may not have been born with superhuman strength, but with God on her side, Jesus in her heart, and the Holy Spirit in her corner, she's more than equipped to handle the daily battles that rage before her. ""So hold on tight, girls, as we prepare to tackle this role of motherhood together: the good, the bad, (the slightly ugly), and everything in between."

George Hyler:

As a student exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you.

As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Confessions of a Wonder Woman Wannabe: On a Mission to Save Sanity, One Mom at a Time can make you really feel more interested to read.
