Set during the final 24 hours before the armistice at 11 a.m. on 11th November 1918, the story follows a German storm trooper, an American airman and a British Tommy. Their destinies converge during the death throes of the first ever conflict to spread across the globe. War becomes incredibly personal as nationality and geography cease to matter to each of these teenagers on the Western Front, and friendship becomes the defining aspect of their encounter.
