The End of Empire: Attila the Hun & the Fall of Rome Christopher Kelly

“A thoughtful and sophisticated account of a notoriously complicated and controversial period.”—R. I. Moore, *Times Literary Supplement*

History remembers Attila, the leader of the Huns, as the Romans perceived him: a savage barbarian brutally inflicting terror on whoever crossed his path. Following Attila and the Huns from the steppes of Kazakhstan to the court of Constantinople, Christopher Kelly portrays Attila in a compelling new light, uncovering an unlikely marriage proposal, a long-standing relationship with a treacherous Roman general, and a thwarted assassination plot. We see Attila as both a master warrior and an astute strategist whose rule was threatening but whose sudden loss of power was even more so. *The End of Empire* is an original exploration of the clash between empire and barbarity in the ancient world, full of contemporary resonance.
