The Lost Journals of Nikola Tesla Tim R. Swartz
NEW UPDATED INFORMATION FOR 2011!

THE LOST JOURNALS OF NIKOLA TESLA - SENSATIONAL DATA OBTAINED FROM THE INVENTOR'S MOST PRIVATE PAPERS AND KEPT UNDER WRAPS BY THE MILITARY AND BIG BUSINESS CONCERNS!

This book is for all those who feel that the military industrial complex is attempting to control our lives, our financial affairs and our belief structure. The evidence is overwhelming!

Discredited in his time, Nikola Tesla was made out by business competitors and the government to be nothing more than a kook. Nonetheless, the same conspirators later duplicated -- and possibly even stole -- many of Tesla's most fabulous inventions which could soon change the course of history as well as our lives!

EXPOSED. . . * Reverse Gravity. * Free Energy. * Contact With Hidden Dimensions. * Mysterious Signals From Space. * Earth Changes. * Freak Weather. * Electric Death Rays. * UFOS. * Particle Beam Weapons. * Nazi Flying Saucers. * Suppressed Technology.

Put into Top-Secret use by agents of the New World Order and the global political monetary elite, many of Tesla most powerful and potentially dangerous scientific discoveries are being turned against ordinary citizens in programs of behavior and physical modification. This is being done to influence our critical thinking and belief patterns to make us more susceptible to the mental commands of the Secret Government. Tesla fought all his life against the "Big Corporations" who tried to keep his fantastic inventions a secret. Now more than ever, the planet needs the inventions of Tesla to free us from Big Oil and the wealthy elite.

"May be the most important book yet on the mysterious wizard Nikola Tesla. Secret lost journals have been unearthed..." Conspiracyjournal.com

"A good concise education on Tesla...a reference on the subject you will access often."
