What happens in Atlantic City...changes everything.

*Karmic Consultants, Book 4*

The “gift” that makes Ciara Liung the FBI’s prized secret weapon makes her existence more like a curse. Unable to bear human contact, she lives as a hermit, immersing herself in the water that gives her peace and amplifies her power.

Her new FBI handler, though, only believes what he can see. The problem? Her gift—the ability to psychically locate stolen jewels—only works in the nude.

Special Agent Nathan Smith can’t believe he’s expected to babysit some psychic finder. Psychic...right. An undercover op gone wrong may have left him a desk jockey—and Ciara’s charms are more distracting than he cares to admit—but he’s a field agent at heart. She’s working some kind of angle. It’s just a matter of time before he unravels it.

Sent to Atlantic City to recover a ruby necklace for Monaco’s royal family, both finder and Fed are pushed outside their comfort zones, and discover more than they ever believed possible. And when a trap is sprung, they realize they stand to lose much more than a sparkly stone...

Warning: This book contains gambling, go-go dancers, public indecency, and every brand of trouble a troubled psychic can get into in America’s Playground.
