**Wasteland** Susan Kim, Laurence Klavan

Fans of the *Divergent* and *Hunger Games* series will love *Wasteland*, the first installment of the *Wasteland* trilogy, by five-time Emmy Award–nominated writer Susan Kim and Edgar Award–winning Laurence Klavan. With heart-pounding thrills, this harrowing survival story is alive with action and intrigue. Welcome to the *Wasteland*, a post-apocalyptic U.S. where no one lives past the age of 19. But an early death isn't the only doom waiting around the corner: Everyone is forced to live under the looming threat of rampant disease and brutal attacks by the variants—hermaphroditic outcasts that live on the outskirts of Prin.

Esther doesn't care that her best friend, a variant, is considered "the enemy." She doesn't care that Levi, who controls the Source, is the real enemy and might send his Taser boys after her if she makes one wrong move. Then she meets Caleb, and just possibly, she might have a chance at salvation.

### From reader reviews:

#### **Elmer Pereira:**

Why don't make it to be your habit? Right now, try to prepare your time to do the important take action, like looking for your favorite reserve and reading a reserve. Beside you can solve your short lived problem; you can add your knowledge by the book entitled Wasteland. Try to the actual book Wasteland as your good friend. It means that it can to get your friend when you really feel alone and beside regarding course make you smarter than in the past. Yeah, it is very fortunated in your case. The book makes you far more confidence because you can know anything by the book. So , we should make new experience and also knowledge with this book.

#### **Barbara Mobley:**

The book Wasteland can give more knowledge and also the precise product information about everything you want. Why must we leave a very important thing like a book Wasteland? A few of you have a different opinion about reserve. But one aim which book can give many details for us. It is absolutely suitable. Right now, try to closer together with your book. Knowledge or info that you take for that, you may give for each other; you may share all of these. Book Wasteland has simple shape but the truth is know: it has great and massive function for you. You can search the enormous world by open up and read a guide. So it is very wonderful.

#### **Michael Becker:**

Reading a publication can be one of a lot of activity that everyone in the world enjoys. Do you like reading book and so. There are a lot of reasons why people love it. First reading a e-book will give you a lot of new data. When you read a book you will get new information simply because book is one of various ways to share the information or maybe their idea. Second, reading through a book will make a person more imaginative. When you examining a book especially fictional works book the author will bring one to imagine the story how the characters do it anything. Third, it is possible to share your knowledge to other folks. When you read this Wasteland, you could tells your family, friends and also soon about yours reserve. Your knowledge can inspire others, make them reading a reserve.

#### **Richard Moultrie:**

Why? Because this Wasteland is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will shock you with the secret it inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content interior easier to understand, entertaining method but still convey the meaning completely. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of gains than the other book possess such as help improving your skill and your critical thinking approach. So , still want to postpone having that book? If I were you I will go to the publication store hurriedly.
