Breve historia de la literatura argentina (Spanish Edition) Martín Prieto

Este libro ofrece al lector una historia informativa, descriptiva, explicativa, crítica y valorativa de la literatura argentina, desde las crónicas escritas sobre el territorio que más de tres siglos después ocupará la República Argentina hasta la producción literaria actual. La decisión de condensar todos estos contenidos en un volumen requiere necesariamente exclusiones y recortes.

Escrita por un solo autor -un especialista con perspectivas y juicios sólidos y definidos-, goza de una unidad y una coherencia que la hacen un útil instrumento para un público amplio, no restringido a los expertos, objetivo al que apunta también su lenguaje claro y despojado de tecnicismos.

Dejando de lado otros criterios, esta Breve historia elige poner el eje en el valor literario de los textos -ya resida éste en su dimensión estética, su novedad o su proyección-, constituyendo así un instrumento decisivo para conocer, valorar y disfrutar la literatura argentina.
