Gonzalo A. Ramírez Cleves

Ecos de Kelsen: vida, obra y controversias (Spanish Edition) Gonzalo A. Ramírez Cleves

Ecos de Kelsen: vida, obra y controversias es una obra colectiva en donde el lector encontrará una caja de herramientas para comprender los aspectos más relevantes de la vida y obra del jurista vienés, en el análisis y la reflexión de los especialistas más importantes de la filosofía del derecho de Kelsen. No se trata solo de homenajear con este libro al jurista más importante del siglo XX mediante artículos apologéticos o laudatorios, sino de estudiar en profundidad aspectos de su vida y obra desde una perspectiva crítica que cuestione algunas veces sus teorías y planteamientos en torno de la ciencia jurídica. Aunque Kelsen ya no esté vivo para replicar a estos estudios, los ecos de su pensamiento que se encuentran plasmados en su obra ayudarán seguramente a dar respuestas a los posibles cuestionamientos. El texto tiene como finalidad ayudar a los investigadores y estudiosos del derecho y otras ciencias sociales a entender la obra de Kelsen en su labor infatigable de hacer del derecho una ciencia autónoma e independiente que pueda llegar a ser comprensible a partir de la sistematización de sus propios conceptos y categorías.
