Thomas Wolfe

El ángel que nos mira (Spanish Edition) Thomas Wolfe

William Oliver Gant, cuyos antepasados se habían asentado en Pennsylvania, había sido aprendiz de cantero. Se trasladó finalmente al Sur y, después de dos matrimonios, llegó a Altamont, pequeña ciudad de montaña que es el equivalente ficcional del Asheville natal del autor. Allí conoció a Eliza Pentland, que venía de una establecida y excéntrica familia de esa región. Después de un noviazgo formal se casó con ella. Incluso entonces, Gant era un hombre salvaje y exuberante, capaz de borracheras épicas y dueño de una vitalidad indomable. A finales del siglo XIX, con más de 50 años, concibió su último hijo. Con esta introducción extraña y retrospectiva se establecen las circunstancias de los primeros años de Eugene Grant y los eventos de su primera infancia se graban y cuentan extensamente.
