Working—and living—with her boss...

Dr. Megan Llewellyn couldn't work out what she felt most for her boss—exasperation or desire! Consultant Sam Benedict seemed forever to be jumping on every little mistake—though why she had no idea...

Sam kept her working so closely with him that she began to suspect his reasons were as much personal as professional. Was her boss hiding an attraction to her that was as intense as hers was for him? Then, when a fire destroyed her home and Megan found herself living as well as working at close quarters with Sam, she quickly found her answer!
