It's MY Life...and I want it back!: A Guide to Spiritual Freedom Bobbé

In this transformational book, Bobbé empowers you to discover the truth about 150 different issues that affect your life, many of which have prevented you from living at the highest levels of joy, peace and freedom. Do you think you are free? Think again! You may think that you are in control of your life, but the fact remains that, for the most part, you are under the influence of the Ego, the Past and the Future, Vested Interests and Relationships. In this ground-breaking work, Bobbé asks all the right questions and encourages you to relax, stop thinking, put the ego aside and listen to the Voice of Universal Wisdom for the right answers. Stop believing in authority, take full responsibility for your own life, learn to go within and trust only in your own ability to see the truth. Only your own insight into the truth will deliver you from the chains of slavery..... because it's YOUR life! Don't believe a word anyone says. Go within and see the truth for yourself. That is the secret to absolute freedom. – Bobbé About the Author Bobbé is a contemporary spiritual guide and author who challenges readers and spiritual seekers to break free of all beliefs and conditioning of the past, rediscover their true essence of being, and enjoy life from a new perspective of awareness and understanding. Bobbé is unique in his approach, in that he does not seek to inform, teach or convince anyone. Instead, by asking the right questions, he encourages his audience to use spirituality as a means to finding their own answers.
