Narrar San Pablo. Una ciudad a través de sus libros (Eduvim Literaturas) (Spanish Edition) Helena Bonito Pereira

Desde la Editorial Universitaria Villa María (EDUVIM) creemos que la co-edición de un libro con un país hermano es una manera de traspasar las fronteras geográficas, sortear los límites idiomáticos, adentrarse en las diferencias culturales para ampliarnos, convertirnos en seres más complejos, con una lectura diversa de la realidad que nos rodea, y de otras realidades que se nos aparecen bajo las formas inusitadas de la palabra. Narrar San Pablo. Una ciudad a través de sus libros es un boleto destinado a varios lugares y a uno solo al mismo tiempo: una metrópoli en todo su esplendor abrigando la bohemia de sus artistas, las carnaduras de sus personajes de papel, los sueños proletarios de sus noches, sus muertes clandestinas, las lágrimas de sus mujeres en el ocaso de una vida, la mirada penetrante de un niño comprendiendo una verdad revelada, el juicio político de un pueblo que, en un silencio más potente que cualquier palabra, condena a sus dictadores. Espacios variados que pintan las escenas con diferentes trazos y en gamas únicas. Dieciséis producciones, dieciséis San Pablos, dieciséis mundos exquisitamente creados para que sus lectores los habiten y los recreen.
