Smooth Play Regina Hart

A passion for the game is what it takes to win. But off the court, it takes a different kind of savvy to heat things up. . .

He's part problem-solver and dream-maker. There's not a crisis he can't avert. And handling the NBA's most explosive team has put PR ace Troy Marshall at the top of his game. It also gives him a chance to give back to the community. But one determined reporter is messing with his flow. And he'll need way more than skill and charm to win this tempting one-on-one. . .

Andrea Benson's instincts tell her that something major is going on behind-the-scenes with this franchise. And a headline story is the only way she can regain the career and good name she let slip away. But Troy's sincerity is throwing her for an unexpected--and very seductive--loop. Can they trust each other enough to uncover the truth. . .or will too many secrets be their breaking point?

"Sexy, fun, and fast-paced. . .a slam dunk!" --Kate Angell on *Fast Break*

From reader reviews:

Frances Williamson:

In this 21st millennium, people become competitive in every single way. By being competitive right now, people have to do something to make all of them survive, being in the middle of the actual crowded place and notice by surrounding. One thing that often many people have underestimated the idea for a while is reading. Yes, by reading a publication your ability to survive rises then having a chance to stand up than other is high. For you personally who want to start reading the book, we give you this kind of Smooth Play book as nice and daily reading e-book. Why, because this book is more than just a book.

Douglas Barney:

A lot of people always spend their own free time to vacation as well as go to the outside with their loved ones or their friend. Were you aware? Many a lot of people spend their free time just watching TV, as well as playing video games all day long. If you wish to try to find a new activity that is look different you can read some sort of book. It is really fun for you. If you enjoy the book that you read you can spend all day long to reading a publication. The book Smooth Play it doesn't matter what good to read. There are a lot of those who recommended this book. They were enjoying reading this book. In the event you did not have enough space to deliver this book you can buy the e-book. You can more very easily to read this book through your smart phone. The price is not to cover but this book provides high quality.

Steve Franklin:

People live in this new day of lifestyle always make an effort to and must have the time or they will get great deal of stress from both lifestyle and work. So, once we ask do people have extra time, we will say absolutely without a doubt. People is human not just a robot. Then we ask again, what kind of activity are there when the spare time coming to an individual of course your answer will certainly unlimited right. Then ever try this one, reading textbooks. It can be your alternative with spending your spare time, the book you have read will be Smooth Play.

John Keaney:

Publication is one of source of information. We can add our knowledge from it. Not only for students but native or citizen need book to know the upgrade information of year to help year. As we know those guides have many advantages. Beside all of us add our knowledge, also can bring us to around the world. From the book Smooth Play we can consider more advantage. Don't that you be creative people? To get creative person must like to read a book. Merely choose the best book that acceptable with your aim. Don't end up being doubt to change your life at this book Smooth Play. You can more inviting than now.
