The Adventures Of Tom Sawyer: Illustrated Edition Mark Twain

This is the fully illustrated edition containing all the beautiful original drawings.

Mark Twain's *The Adventures of Tom Sawyer* is a book for readers of all ages. Most readers pick it up young and enjoy it, but too few come back to it later on, when its dark shadings and affectionate satire of small-town life might hit closer to home.

The book sold slowly at first but has since become the archetypal comic novel of American childhood. It begins with several chapters of scene-setting episodic skylarking by Tom and his gang. All the grown-ups in the book fret about Tom's future, fussing at him about his clothes and his manners, but also about his future, and whether this orphaned boy can ever grow up right.

Meanwhile, Tom just wants to cut school, flirt with the new girl, get rich, and read what he pleases. Only after he and his wayward friend Huckleberry Finn accidentally witness a murder will he at last get the chance to live out an adventure as heroic as any in his storybooks. When Tom and his beloved Becky Thatcher become trapped in a dark cave, he must call on all his imagination and ingenuity if he wants even a chance at growing up. (From "The National Endowment For The Arts Reader's Guide")
