The Modernist Movement in Brazil: A Literary Study John Nist

“Ask an authority on Brazilian culture what he considers to be the most significant artistic event in Brazil during this century,” observes John Nist, “and he will quickly reply, ‘The Modern Art Week Exhibition, staged in Sao Paulo in February, 1922.’ This public demonstration and aesthetic manifesto represented a cut with the past, a violent break with tradition unparalleled in Brazilian history. The fact that Brazilians still discuss the poetical renovation achieved by Modernism shows how strongly the movement attacked and questioned traditional attitudes, cherished preconceptions, prejudiced aspects of a national sensibility that still persists, in some quarters, to this day. As a movement of research and experimentation, Modernism was, in the words of its principal prophet, Mário de Andrade, ‘a rupture, a revolt against the national intelligence.’ In time it became a national affirmation that resulted in the integration of Brazilian literature into the literature of the Western world—an integration too long overlooked by members of the English-speaking community.”

The literary revolution thus unleashed in 1922 in Latin America’s largest country is the subject of this book by Nist. Initially fostered by the Brazilian poets in response to new challenges in painting, sculpture, architecture, and music, the Modernist Movement has passed through four clear phases, which are traced by the author: first, the destructive and iconoclastic phase, 1922–1930; second, the serious and socially concerned phase, 1930–1940; third, the aesthetically formal phase, 1940–1950; fourth, the Concretist experimental phase, 1950 to the mid-1960s.

With similar competence Nist examines the fourfold achievement sought by these same poets: (1) a new age of humanity as well as a new artistic attitude; (2) a new aesthetic purity; (3) the termination of the divorce between humanity and nature, artist and human; (4) the discovery and establishment of a common ground between culture and spontaneity, tradition and originality, social and natural reality.

In addition to presenting the origin and evolution of the Modernist Movement from a historical perspective, the author pays critical attention to the artistic achievements of the leading poets of twentieth-century Brazil: Mário de Andrade, Oswald de Andrade, Manuel Bandeira, Jorge de Lima, Cassiano Ricardo, Carlos Drummond de Andrade, Cecília Meireles, Vinícius de Moraes, Augusto Frederico Schmidt, Murilo Mendes, João Cabral de Melo Neto, Domingos Carvalho da Silva, and others of similar stature.

Dennis Carson:

In this period globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The condition of the world makes the information simpler to share. You can find a lot of recommendations to get information example: internet, paper, book, and soon. You can see that now, a lot of publisher this print many kinds of book. Typically the book that recommended to you personally is The Modernist Movement in Brazil: A Literary Study this reserve consist a lot of the information with the condition of this world now. This book was represented how do the world has grown up. The terminology styles that writer value to explain it is easy to understand. The actual writer made some study when he makes this book. Honestly, that is why this book ideal all of you.

Janelle Ramirez:

As a scholar exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this The Modernist Movement in Brazil: A Literary Study can make you experience more

interested to read.
