The Smart Guide to Understanding Your Cat (Smart Guides) Carolyn Janik

This book will tell you everything you need to know to live with a cat. Gandhi said “The greatness of a nation can be judged by the way its animals are treated.” If you were to take a survey of America’s domestic cats, they would say quite definitely that America is the Greatest of Nations! Of course most of them don’t remember ancient Egypt where cats were thought to be gods, quite literally. However, from what we see of American cat behavior, many of our little beauties think they are still gods. But, attitude or not, how we love them! The Smart Guide to Understanding Your Cat is an easy-to-read, comprehensive and enjoyable handbook that will give you new insights into the cat(s) in your life: • how they think • how they express affection • how they make choices, and why they do what they do. Among the topics covered in this many-faceted guide are: • The many meanings of a cat’s body language • Choosing a cat that’s right for you • Making an adopted cat feel at home • Can a feral cat be tamed? • What a cat should NOT eat • Caterwauling in the night • Raising kittens • Making your home cat-friendly • Having fun with your cat • Caring for the older cat • Caring for a sick cat • And lots more, even how to start a cat-loving club. The Smart Guide To Understanding Your Cat is lavishly illustrated with photographs and illustrations including original illustrations by the author. It is written in an easy to understand conversational style with a delightful tone that makes it apparent that the author is a true cat lover.

From reader reviews:

Sharon Novick:

In this 21st one hundred year, people become competitive in every single way. By being competitive today, people have to do something to make themselves survive, being in the middle of the particular crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Yeah, by reading a publication your ability to survive rises then having a chance to remain than others is high. To suit your needs who want to start reading a new book, we give you this particular The Smart Guide to Understanding Your Cat (Smart Guides) book as a basic and daily reading publication. Why, because this book is more than just a book.

Christine Wormley:

The actual book The Smart Guide to Understanding Your Cat (Smart Guides) will bring you to the new experience of reading any book. The author's style to describe the idea is very unique. In the event you try to find a new book to see, this book is very acceptable to you. The book The Smart Guide to Understanding Your Cat (Smart Guides) is much recommended to you to learn.
