Del hombre como conejillo de indias. El derecho a experimentar en seres humanos (Ciencia, Tecnología, Sociedad) (Spanish Edition) Philippe Amiel

Philippe Amiel presenta una investigación jurídica y sociológica sobre el derecho de los individuos a participar en experimentos biomédicos. La obra reconstruye la compleja genealogía del cuadro normativo vigente, la cual se asienta en las responsabilidades del médico e intenta proteger a los individuos sujetos de experimentación de posibles abusos, todo ello a raíz de lo determinado en los Juicios de Núremberg. Por otra parte, muestra la urgencia de un nuevo contrato social en materia de investigación biomédica, uno que articule la autonomía del individuo con la equidad en el acceso a la protección de sus derechos.
